

Camp Vida 2017: Fur, Fins & Feathers

June 19 – August 25

Join us for a summer full of fur, fins, feathers and fun.

At Camp Vida, special guests include goats, llamas, fish, reptiles, service animals and more! Each week features art, music, dance, gardening and cooking for children ages 3-6.

Campers will enjoy plenty of time outdoors in our expansive play yard and organic garden beds. We offer rich studio environments, seasoned professionals and a joyful community!

Contact us for a camp tour!

Camp Vida 2017: Fur, Fins & Feathers

Weekly Descriptions

Each week, we will enjoy a special guest of the animal kind!

	June 19 - 23
Animal Kick Off	Create natural habitats, learn about the care of our school bunny, Daisy and our school guinea pig, Percy.
	June 26 - June 30
Rocks & Rolls	What animals live in, under and around rocky terrain? Slither like a snake, bask like a lizard and roll like an armadillo.
	July 3 - July 7 (No Camp on Tuesday, July 4th)
Cluck, Quack & Moo Crew	Let's learn all about animals that live and work on farms. What do we use that comes from farms? Check out an urban chicken coop. Maybe even milk a goat.
	July 10 - 14
Itty Bitty Bugs	Get up close and personal as we peek into the teeny lives of some of our smallest friends.
	July 17 - 21
PDX Junior Bird Club	Look up! What animals take to the sky? How do wings work? Our Audubon Society - Certified Backyard Habitat is perfect for feathers, beaks, bird songs and more.
	July 24 - 28
Paw Pals	Animals help in so many ways! Guide animals can be dogs, horses, monkeys, even llamas!
	July 31 - August 4
Animal Rescuers	There are so many animals that need good homes. What can we do to help? Make treats for our furry friends at Pixie Project & learn about local organizations that help find fur-ever homes.
	August 7 - 11
Bark, Talk , Meow	Learn about animal communication. What are dogs, cats, birds and reptiles trying to tell us? What do the different sounds and movements of animals mean?
	August 14 - 18
Rare and Unusual Animals	Red - lipped batfish, star nosed mole and other unusual creatures make our world amazing! Explore many animals that seem like they are from outer space.
	August 21 - 25
Ocean Commotion	Dive deep into a watery world and explore mysterious depths of our oceans and seas.
