

Community Connections for February, 2017!

Please join us on
Friday, February 24th, 3:15-4:15 pm
In Studio 215.

Bring your donations, learn how to change a diaper and hear about other ways we care for babies!

This Community Connections event will support "Insights Teen Parent Services", part of Janus Youth Programs. <http://www.janusyouth.org/>

They help teen parents learn how to be good parents. They offer a wide variety of services to teen parents in our community.

**Look for the "Let Love Rule" branch at both entrances by February 6th.
Select a tag and bring your item to the collection box by the Greeter's desk.**

Worth one hour of volunteer time.

Community Connections is a monthly opportunity for you to volunteer alongside your child to give back to the community. Just as Maria Montessori emphasized that students engage in the community, whether local, national or global, our school community extends its reach well beyond the school campus through volunteer activities and donations.
